

DENNISON FASTENER SYSTEMS

Dennison invented high productivity tagging and **Dennison** tools continue to set industry standards for quality and dependability. Lightweight, comfortable and easy to use, these tools are suitable for all general purpose applications.

Pistol Grip tools, *standard* #D10651 Mark III or *fine* #D10312 MARK II, are the best selling tools. The "pistol-like" grip is comfortable when tagging either flat or hanging goods. A shorter nose and easy-reach tag rest allow one-handed tagging for improved productivity. The tool's smooth trigger action and exceptional light weight (only 3 ounces) reduces operator fatigue over long periods.

#D10651 MARK III STANDARD Pistol-Grip

Uses #D08941 Standard Needles
or #D08913 Heavy Duty, All-Steel Needles
Can use fastener clips of 50, 80 or 100/clip.

#D10312 MARK II FINE Pistol-Grip

Uses #D08944 Fine Needles
or #D10070 Fine, All-Steel Needles
Can use fastener clips of 50 or 100/clip.

SHD Heavy Duty Long Needle Pistol Tool has extra sturdy construction and a long all steel needle for heavy fastening applications such as carpet, leather or plastic. **SHD** needles are designed to stand up to tough material applications and their all-steel construction helps prevent breakage.

#D10637 SHD Heavy Duty Pistol-Grip

Uses #D10643 SHD Long All-Steel Needles
Ideal for Heavy Duty "T-End" and "Loop" Fasteners

Scissor Grip tools, *standard* #D08945 MARK II or *fine* #D08946 MARK II, are the original design attaching tools. Comfortable to hold and easily actuated. Operators say the "scissor-grip" design feels more comfortable for tagging hanging goods.

#D08945 MARK II STANDARD Scissor-Grip

Uses #D08941 Standard Needles
or #D08913 Heavy Duty, All-Steel Needles
Can use fasteners of 50/clip only.

#D08946 MARK II FINE Scissor-Grip

Uses #D08944 Fine Needles
or #D10070 Fine, All-Steel Needles
Can use fasteners of 50/clip only.

DENNISON FASTENER SYSTEMS

The **Buttoneer** tool is useful in many assembly applications: pleating, bar tacking, spacing, closing or joining... any application that benefits from a fast, tight-fitting and economical attachment.

#D06110 MARK III BUTTONEER *Scissor-Grip*

Uses #D08941 Standard Needles
or #D08913 Heavy Duty Needles

Only uses "Buttoneer"/Button-End Fasteners (48 per clip)

BUTTONEER Fasteners:

D06092	1/4"(7mm)	polyurethane	4 - 5 lbs	Natural	48 per clip	5,000 / box
D06101	1/8"(10mm)	polyurethane	4 - 5 lbs	Natural	48 per clip	5,000 / box

The Buttoneer system is a self-piercing, permanent high-speed attachment that is ideal for many OEM applications. The automotive industry, for example, uses Buttoneer fasteners to attach spacer blocks inside door weather stripping in order to keep it from compressing. Cosmetically, the small size *Button-End* is an added benefit because it is nearly invisible when attached.

Buttoneer (*Button-End*) fasteners are useful in many assembly and packaging applications. Easy to attach, and cost effective, they provide a safer packaging alternative to glue, thread, tape or metal fasteners.

System 1000 tools allow the operator to tag 1,000 garments without reloading. The tool holds 1,000 fasteners [20 X more than ordinary tag attaching tools]. Moreover, System 1000 fasteners have connected paddles, and have no waste strip to discard when the operator is finished.

#D10000 SYSTEM 1000 *Pistol-Grip* tool

Uses #D08281 Standard Needles

System 1000 Fasteners with Paddle:

D08284	1" (25mm)	polypropylene	4 - 6 lbs	Natural	1,000 per roll	5,000 / box
D08285	1-1/2"(38mm)	polypropylene	4 - 6 lbs	Natural	1,000 per roll	5,000 / box

Use ONLY Special System 1000 Rolls which have unique "paddle connected" design fasteners. Each roll has 1,000 fasteners which feed smoothly and dependably.

NEEDLES:

The Dennison needle design is fundamental to the Dennison tagging systems. The butt of the needle has a sharp knife to separate fasteners from their clips. Every time you change a needle, you get a new, sharp knife as well to assure you of efficient tagging.

Dennison needles are finished to significantly reduce the risk of causing holes and snags in fabrics. The all-steel versions add extra strength for tougher fastening applications.

NEEDLES:

D08941	Standard Needles	4 per pack
D08944	Fine Needles	4 per pack
D10070	Fine, All-Steel Needles	4 per pack
D08913	Heavy Duty, All-Steel Needles	4 per pack
D10643	SHD Long, All-Steel Needles	4 per pack
D08281	System 1000 Standard Needles	4 per pack

	Item #	Size	Material	Tensile	Color	Per Clip	Qty / Box
 <p>The original, and still most widely used fastener in the industry. Avery Dennison paddle fasteners are precision molded and available with their unique "connected paddle" design to insure tangle-free operation.</p> 	Fasteners with Paddle (General Purpose):						
	D10417	1/2" (13mm)	Polypropylene	4 - 6 lbs	Natural	50 per clip	5,000 / box
	D06214	1" (25mm)	Polypropylene	4 - 6 lbs	Natural	50 per clip	5,000 / box
	D10657	1" (25mm)	Polypropylene	4 - 6 lbs	Natural	100 per clip	10,000 / box
	D08035	2" (50mm)	Polypropylene	4 - 6 lbs	Natural	50 per clip	5,000 / box
	D10658	2" (50mm)	Polypropylene	4 - 6 lbs	Natural	100 per clip	10,000 / box
	D06215	3" (75mm)	Polypropylene	4 - 6 lbs	Natural	50 per clip	5,000 / box
	D10659	3" (75mm)	Polypropylene	4 - 6 lbs	Natural	100 per clip	10,000 / box
	D08986	3" (75mm)	Polypropylene	4 - 6 lbs	Black	50 per clip	5,000 / box

Fasteners with Paddle (Fine):

D06300	3/4" (19mm)	Polypropylene	3.5 - 5 lbs	Natural	50 per clip	5,000 / box
D08938	3/4" (19mm)	Nylon	3.5 - 5 lbs	Natural	50 per clip	5,000 / box
D10343	3/4" (19mm)	Polypropylene	3.5 - 5 lbs	Natural	100 per clip	10,000 / box
D06301	2" (50mm)	Polypropylene	3.5 - 5 lbs	Natural	50 per clip	5,000 / box
D08939	2" (50mm)	Polypropylene	3.5 - 5 lbs	Natural	50 per clip	5,000 / box
D10670	2" (50mm)	Polypropylene	3.5 - 5 lbs	Natural	100 per clip	10,000 / box
D10347	3" (75mm)	Polypropylene	3.5 - 5 lbs	Natural	100 per clip	10,000 / box

Fasteners with Paddle (Heavy Duty):

D08973	1/2" (13mm)	Nylon	7 - 9 lbs	Natural	50 per clip	5,000 / box
D08985	1/2" (13mm)	Nylon	7 - 9 lbs	Black	50 per clip	5,000 / box
D10915	1/2" (13mm)	Nylon	7 - 9 lbs	Natural	80 per clip	10,000 / box
D08908	1" (25mm)	Nylon	7 - 9 lbs	Natural	50 per clip	5,000 / box
D10925	1" (25mm)	Nylon	7 - 9 lbs	Natural	80 per clip	10,000 / box
D08909	3" (75mm)	Nylon	7 - 9 lbs	Natural	50 per clip	5,000 / box
D08988	3" (75mm)	Nylon	7 - 9 lbs	Natural	100 per clip	5,000 / box

Attaches a tag and provides a hanger for display in one operation. Perfect for headwear, hosiery & stuffed toys.

Hook Fasteners (Standard):

D08901	1-1/2" (38mm)	Polypropylene	4 - 6 lbs	Natural	50 per clip	5,000 / box
D08902	2" (50mm)	Polypropylene	4 - 6 lbs	Natural	50 per clip	5,000 / box

Hook Fasteners (Heavy Duty):

D08903	1-1/2" (38mm)	Nylon	7 - 9 lbs	Natural	50 per clip	5,000 / box
D08904	2" (50mm)	Nylon	7 - 9 lbs	Natural	50 per clip	5,000 / box

Provides a secure attachment and more finished look. They work well in pairing, packaging & product assembly applications.

"T"-END Fasteners:

D10446	1/4" (7mm)	Fine / Nylon	3.5 - 5 lbs	Natural	50 per clip	10,000 / box
D10672	1/4" (7mm)	Fine / Nylon	3.5 - 5 lbs	Natural	100 per clip	10,000 / box
D08951	1" (25mm)	Standard/Nylon	7 - 9 lbs	Natural	100 per clip	5,000 / box
D10575	3/4" (19mm)	Hvy Duty/Nylon	15 lbs	Natural	50 per clip	5,000 / box

SECUR-A-TIE (Permanent Locking, Adjusts for Custom Fit):

D08350	5" (125mm)	Nylon	18 lbs	Natural	5,000 / pkg	50,000/case
--------	------------	-------	--------	---------	-------------	-------------

SECUR-A-TACH (Permanent Fastener, Double Barreled Locking Head):

D08302	3" (75mm)	Polypropylene	8 - 15 lbs	Natural	5,000 / pkg	50,000/case
D08300	5" (125mm)	Polypropylene	8 - 15 lbs	Natural	5,000 / pkg	50,000/case
D08301	9" (225mm)	Nylon	8 - 15 lbs	Natural	5,000 / pkg	50,000/case
D10416	18" (450mm)	Polypropylene	8 - 15 lbs	Natural	5,000 / pkg	50,000/case

SUPER SECUR-A-TACH (Permanent Fastener, Oversized locking Barrel):

D08310	3" (75mm)	Polypropylene	8 - 15 lbs	Natural	5,000 / pkg	50,000/case
D08311	5" (125mm)	Polypropylene	8 - 15 lbs	Natural	5,000 / pkg	50,000/case

EW FASTENER SYSTEMS

EW WHITE-DIAMOND “TAG III” Tagging Tools

*Our EW WHITE-DIAMOND tools are an economical alternative to higher priced tools.
Quality made for smooth, efficient fastening applications.*

- Pistol-Grip design ideal for tagging flat or hanging goods.
- Short nose and easy-reach tag rest facilitates one-handed tagging for greater productivity.
- Smooth action. Light weight.
- Can use most popular brands of fasteners, 50/clip or 100/clip
- Uses Dennison brand needles or *economically priced* WHITE-DIAMOND needles

#EW300R Regular, Pistol-Grip Tool
Uses #AN300 Standard Needles, #L300R Standard, All-Steel Needles
or #L600R Heavy Duty, All-Steel Needles

#EW400F Fine, Pistol-Grip Tool
Uses #AN400 Fine Needles
or #L400F Fine, All-Steel Needles

EW WHITE-DIAMOND Tagging Needles

Made for all EW WHITE-DIAMOND tools.
Suitable for DENNISON brand tools and all Dennison style tools.

- When you change a needle you also get a sharp new knife at the butt end.
- Fasteners separate from clips effortlessly.
- Needles are carefully finished to minimize chances of damaging fabrics.
- The all-steel needles provide extra strength for tougher tagging jobs.

• #AN300	Standard	(4 per pack)
• #AN400	Fine	(4 per pack)
• #L300R	Standard, All-Steel	(4 per pack)
• #L400F	Fine, All-Steel	(4 per pack)
• #L600R	Heavy Duty, All-Steel	(4 per pack)
