Start your day by putting on Hand~Mates™ and your hands will feel more comfortable and relaxed than ever before!

Heat...

Naturally generated by the body, warmth is retained within the tightly knit fabric. This keeps muscles relaxed and stimulates circulation.

Support...

Just like what support hose do for legs...Hand~Mates™ comfortably reinforce the palm and wrist – leaving your fingers free to handle your work.

Massage...

The gentle “give and take” of the fabric keeps muscles free from fatigue and promotes better circulation...
