

POWERFUL STEAM IRON for the PROFESSIONAL

The SAPPORO steam iron model #SP-527 creates voluminous steam using the simplicity of "gravity feed." It easily opens seams, flattens darts, sets pleats instantly, gives sharp creases and does more.

Easy to Use. The Sapporo SP527 steam iron is energy efficient and simple to maintain. Built-in sheathed wire heater improves thermal efficiency, shortens heating time.

Comes with water container and durable iron rest.
(Optional resin filter demineralizer eliminates need for distilled water).

It is a rugged product. Built to stand up to years of use, is comfortable to use, and its sleek design allows you to get to those hard-to-reach areas.

SAPPORO model #SP-527-120V GRAVITY FEED STEAM IRON

QUALITY FEATURES:

- * Wireless Power Switch - easily changed if necessary.
- * Urethane Handle - for long life.
- * Convenient Thermostat Switch - a touch gives proper steam.
- * Steam & Heat Shield Plate - prevents heat & steam to be transmitted to hands.

JACOBSON PTFE Iron Shoes

NO MORE SHINE

Attach JACOBSON's PTFE Iron Shoes to your irons and say goodbye to press cloths, wrong-side pressing, unnecessarily low temperature settings.

Light as a feather...

use it on everything, all day long, making work easier.

Aluminum Inner Liner... distributes heat and steam over entire ironing surface with minimum steam pressure.
